Integrated Training & Policy Research (About us)

Core Functions

Integrated Training & Policy Research, (ITPR) is a Society, registered under the Societies Registration Act of 1860, as amended. ITPR's core activity is imparting training on various rules & regulations, followed in the Government of India, changes and new schemes that are brought about by the Government from time to time. These courses are designed for the middle level Officers and Staff of Government Departments, Autonomous Bodies and Public Sector Undertakings (PSUs), Central Universities and other affiliated organization under the Government of India, spread across the length and breadth of the country. We have been in this area for the last 14 years.

Training

The training programmes are conducted through workshops (2 to 6 days), designed to enable the participants to update their knowledge of rules and procedures, through talks from experts and close interaction with the faculty and participants.

System Study

We also do system study in regard to Personnel Management, Financial Management, Material Management & Labour laws. In addition, we also undertake contract for preparation of procedure manuals in the areas of Personnel & Financial Management, updating Recruitment Rules, based on latest guidelines of Government and Supreme Court judgements, maintenance of reservation rosters for implementation of Reservation Policy as per Government directives.

Faculty

We have on our panel experienced retired Government officers to conduct various training programmes. Our faculty members are experienced in their respective field. Not only are they subject experts in various topics but also experts in the Training Technique areas, having been faculty of recognized training institutions of the Ministries/Departments of the Government of India. Besides, we invite as guest, faculty from amongst senior officers in Central Government departments concerned, as and when required. Also, undertake preparation of comprehensive replies to court cases.

In-House Training Courses.

We undertake in-house training programmes for various government organisations, specific to their area(s) of work and requirement, and subject(s) of special interest. In addition, we offer design/tailor

made programmes. As on date, we have successfully conducted in-house training for the following organisations, as listed below, on topics especially suited to their requirement.
